

Terms and Conditions for notdumb.dev

Roblox Development Services

Effective Date: July 28, 2025

Introduction

These Terms and Conditions ("Terms") govern the engagement of notdumb.dev ("Developer") for Roblox development services. By hiring the Developer, you ("Client") agree to be bound by these Terms. Please read them carefully.

1 Ownership and Rights

- 1.1 **Ownership of Scripts:** The Developer retains full ownership and intellectual property rights to all scripts, code, and other materials created during the project ("Work"). The Client is granted a non-exclusive, non-transferable license to use the Work solely within the agreed-upon Roblox project.
- 1.2 **Restrictions on Resale and Redistribution:** The Client may not resell, redistribute, share, or otherwise make the Work available to third parties without the express written consent of the Developer. Any unauthorized distribution will be considered a breach of these Terms.

2 Client Conduct

- 2.1 **No Harassment or Pressure:** The Client agrees not to harass, pressure, or unduly contact the Developer regarding project timelines, deliverables, or other matters. Communication must remain professional and respectful at all times.
- 2.2 **Reasonable Expectations:** The Client acknowledges that development timelines may vary due to the complexity of the project, and the Developer will provide estimated completion dates in good faith.

3 Payment Terms

- 3.1 **Minimum Payment:** The minimum payment for any project undertaken by the Developer is 1,000 Robux. Additional costs may apply based on project scope and complexity, as agreed upon in writing.
- 3.2 **Upfront Payment:** The Client must pay 10% of the total agreed-upon project cost upfront as a non-refundable deposit before work begins. The remaining balance is due upon project completion, unless otherwise specified in writing.
- 3.3 **Payment Method:** All payments must be made in Robux through the Roblox platform or as otherwise agreed upon by both parties.

4 General Provisions

- 4.1 **Termination:** The Developer reserves the right to terminate the project and retain the upfront payment if the Client breaches these Terms, including but not limited to harassment, non-payment, or unauthorized distribution of the Work.
- 4.2 **Modifications:** These Terms may be updated by the Developer at any time. The Client will be notified of any changes, and continued engagement constitutes acceptance of the updated Terms.
- 4.3 **Governing Law:** These Terms shall be governed by and construed in accordance with the laws applicable to digital services and intellectual property in the jurisdiction of the Developers residence.
